## **ABOUT RED VIKING**

Red Viking International Inc. ("Red Viking") is a Delaware C-Corporation based in New York, and the parent/holding company of various affiliated entities around the world (collectively, "Red Viking"). Red Viking was founded in 2007 as a Limited Liability Company (Red Viking Global, LLC), then restructured as a C-Corporation to better suit our current size and future growth plans.

## **HISTORY**

Red Viking was born from the U.S. subprime mortgage crisis and resultant global financial crisis (2007-2010). We have grown into team of experts from the world's preeminent financial institutions, and we now originate securities-backed loans across the Americas, Asia-Pacific, Europe, Middle East, and Africa. Our 20-year history comes without any regulatory or disciplinary actions, anywhere.

## **MISSION**

Red Viking's mission is to help financial advisors (broadly defined) provide highly-customized securities-based lending solutions to their clients (both individuals and companies). Because we work directly with financial advisors (Red Viking does not solicit retail business), we specialize in complex cross-border lending solutions for high-net-worth individuals and corporate clients.
